

The Madison Eagle
Madison, New Jersey

July 21, 1939.

Dear ~~Mr~~ Manning,

Much interest has been aroused in this town during the current season of the Negro National League. Several of the players of this league are quite well known in this section, such as Josh Peters of the Grays, and your second-baseman is personally known by Dick Williams who is a playground director in this town.

The Pittsburg Courier, a negro paper has recently been handed to us and for the first time we have really found out that the Newark Eagles are a very fast team and we would like to see them play. So, if you are in the habit of sending press passes please send ~~them~~ a few to the adress given below.

I am sure that my paper will give your team a break for some favorable publicity.

I remain,

Yours Truly,
